

From Disability to Possibility: The Power of Inclusion

**Tuesday, December 6, 2011
7:00-9:30 p.m.
Bloomington Civic Plaza
1800 W. Old Shakopee Road
Bloomington, MN 55431-3027**

Drawing on real life experiences of individuals with possibilities across their lifespan, Dr. Patrick Schwarz will illustrate what supports are successful and what else is needed for effectiveness in education and in life. These vivid examples that begin with people's strengths, will activate you to re-think, re-imagine and transform education and human services for people of all ages and abilities. Whether in the home, classroom, workplace or broader community, participants will have an expanded view of capable learners and contributing community members....individuals with possibilities.

Attend the community event inspired by and in celebration of Inclusive Schools Week to learn about possibilities, participate in a discussion with Dr. Schwarz and network with other community members. Light refreshments served following the interactive presentation.
