

Directors,

Stetson and Associates, Inc. and the Inclusive Schools Network™ are pleased to announce the 22nd Annual Inclusive Schools Week™ will be held December 5-9, 2022. This annual event was created to celebrate the progress schools have made toward providing a quality education for our increasingly diverse student population and those students marginalized due to disability, gender, socio-economics status, cultural heritage, language preference and other factors.

This year's theme, "Unity Within Our Community," provides an opportunity to strengthen our commitment to inclusive education, extend previous successes, and redirect our talent, time and energy to improving outcomes for students and their families. Working together, we can restore and rebuild a shared community of learners, educators and leaders.

We encourage you to promote an Inclusive Schools Week™ celebration in your school district and community. Thousands of individuals: local, state, and national organizations; advocacy groups; schools and entire school districts have enthusiastically embraced this opportunity and found this experience to be rewarding in terms of its impact on children and youth.

Please share the enclosed letter with each of your principals. For ease of distribution, you may access a digital copy of the letter for principals on our website: <http://inclusiveschools.org/isw-basic-downloads>. Their support and school-wide involvement in this celebration heightens the awareness level and provides meaningful hands-on involvement for students and faculty.

Please visit our website, inclusiveschools.org, to download our free Celebration Guides, Media Kit, Digital Graphics, Celebration Activities, and more. Sign up for our Inclusive Schools Network™ newsletter to receive current inclusion information year-round! <http://goo.gl/F1wnb>

Thank you,

Dr. Frances Stetson
President, Stetson & Associates, Inc.
