The Inclusive Schools Network is pleased to announce the 22nd Annual Inclusive Schools Week will be celebrated December 5-9, 2022, in classrooms, schools, and communities throughout the world. Inclusive Schools Week™ (ISW) highlights and celebrates the progress schools have made in providing a supportive and quality education to all students, including those who are marginalized due to disability, gender, ethnicity, geography and language. It also provides an important opportunity for educators, students, and families to discuss what else needs to be done to ensure that schools continue to improve their ability to successfully educate all children. ISW is sponsored by the Inclusive Schools Network and Stetson & Associates, Inc.

This week celebrates rebuilding our inclusive community by strengthening our commitment to inclusive education, extending previous successes, and redirecting our talent, time and energy to improving practices. This year's Celebration Guides contains updated resources to plan a successful Inclusive Schools Week™ celebration and includes new tools aimed at supporting schools in the process of becoming more inclusive.

The Celebration Kit is available for download at the extensive Inclusive Schools Network website at <http://inclusiveschools.org>. Inclusive Schools Network has a wealth of innovative resources and is the best place to find updated information about Inclusive Schools Week and order new inclusion products. Leading up to the ISW 2022 Celebration there will be weekly postings of ideas, events, and resources to support schools in planning their ISW activities.
