

Principals,

Please join us in celebrating Inclusive Schools Week™, December 5-9, 2022. This annual event was created to celebrate the progress schools have made toward providing a quality education for our increasingly diverse student population and those students marginalized due to disability, gender, socio-economics status, cultural heritage, language preference and other factors.

Inclusive Schools Week™ provides an opportunity for educators, students and parents to discuss and initiate practices to further ensure schools continue to improve their goal of successfully educating ALL children.

This is a wonderful opportunity to involve ALL of your teachers and students to celebrate UNITY WITHIN OUR COMMUNITY! There are several free resources and celebration ideas on our website that heighten awareness of inclusion and celebrate our diverse classrooms and each student's unique contributions to our campus.

Please visit our website, <http://inclusiveschools.org>, to download our free Celebration Guide, Media Kit, Digital Graphics, Celebration Activities, and more. Sign up for our Inclusive Schools Network™ newsletter to receive current inclusion information year round! <http://goo.gl/F1wnb>.

Thank you,

Frances Stetson, Ph.D.
